Welcome!

We would like to take this opportunity to welcome you to our practice and to thank you for choosing our physicians to participate in your healthcare. We look forward to providing you with personalized, comprehensive health care focusing on wellness and prevention. As continuity and coordination of patient care is essential in meeting your healthcare needs, our physicians and their staff work closely in a team approach to support your patient care.

Our office is open Monday through Thursday from 8:30 a.m. to 5:00 p.m. and Fridays from 8:30 a.m. to noon. We are closed for lunch daily from 12:00 p.m. to 1:00 p.m. Please note that our schedulers are available every day and will do their best to accommodate you. Booking an appointment is essential to ensuring all patients receive the time they require for quality medical care. After hours care will be provided by the on-call physician, who can be reached by calling our office directly at (239) 368-0241.

As your specialty physician office, we work closely with Lehigh Regional Medical Center to coordinate all aspects of your patient care; including inpatient hospitalization.

Please bring your health insurance card as well as a photo I.D. Also, please bring a complete list of your medications, the strength and dose of each one.

Once again, we would like to thank you for choosing us as your health care provider. We look forward to working with you.

Sincerely,
